

Privacy Policy for Zenzr Sverige AB

The purpose of the GDPR is to protect personal integrity and ensure that it is not violated through the processing of personal data. A key part of this protection is that individuals whose data is being processed are informed and given insight into how their data is handled. For this reason, the following information is provided.

Zenzr Sverige AB, registration number 559254-8241, Företagsvägen 11, 227 61 Lund, Sweden, is the data controller responsible for the processing of your personal data.

The type of personal data processing we perform depends on the context in which you interact with us and in what capacity you act, for example whether you are a user of our systems or a visitor to our website. This privacy policy explains in full how Zenzr Sverige AB collects, uses, and protects personal data when you visit our website and use our system services.

1. What personal data do we collect?
